

OXYSMART BY DAYCON

...The Smarter Way to Clean

Daycon's new oxygenated cleaner, for all surfaces, is the smarter way to clean glass, floors, plastic, chrome, and much more. Used with Daycon's OxySmart Chemical Dilution Control System, one bottle of OxySmart concentrate will give you four different cleaners! This product may be used on horizontal or vertical surfaces. It may be used in restrooms, showers, pool decks, concrete walkways, on the exterior of buildings or houses, and for cleaning wooden decks. It is pH-balanced to be safe on marble, slate, and other sensitive surfaces. Can be used in foam sprayers.

- Readily Biodegradable
- Safe on All Surfaces
- Controls Odors
- Removes Stains, Mildew & Algae
- Brightens Tile & Grout
- Non-Toxic, Non-Corrosive
- Environmentally Responsible
